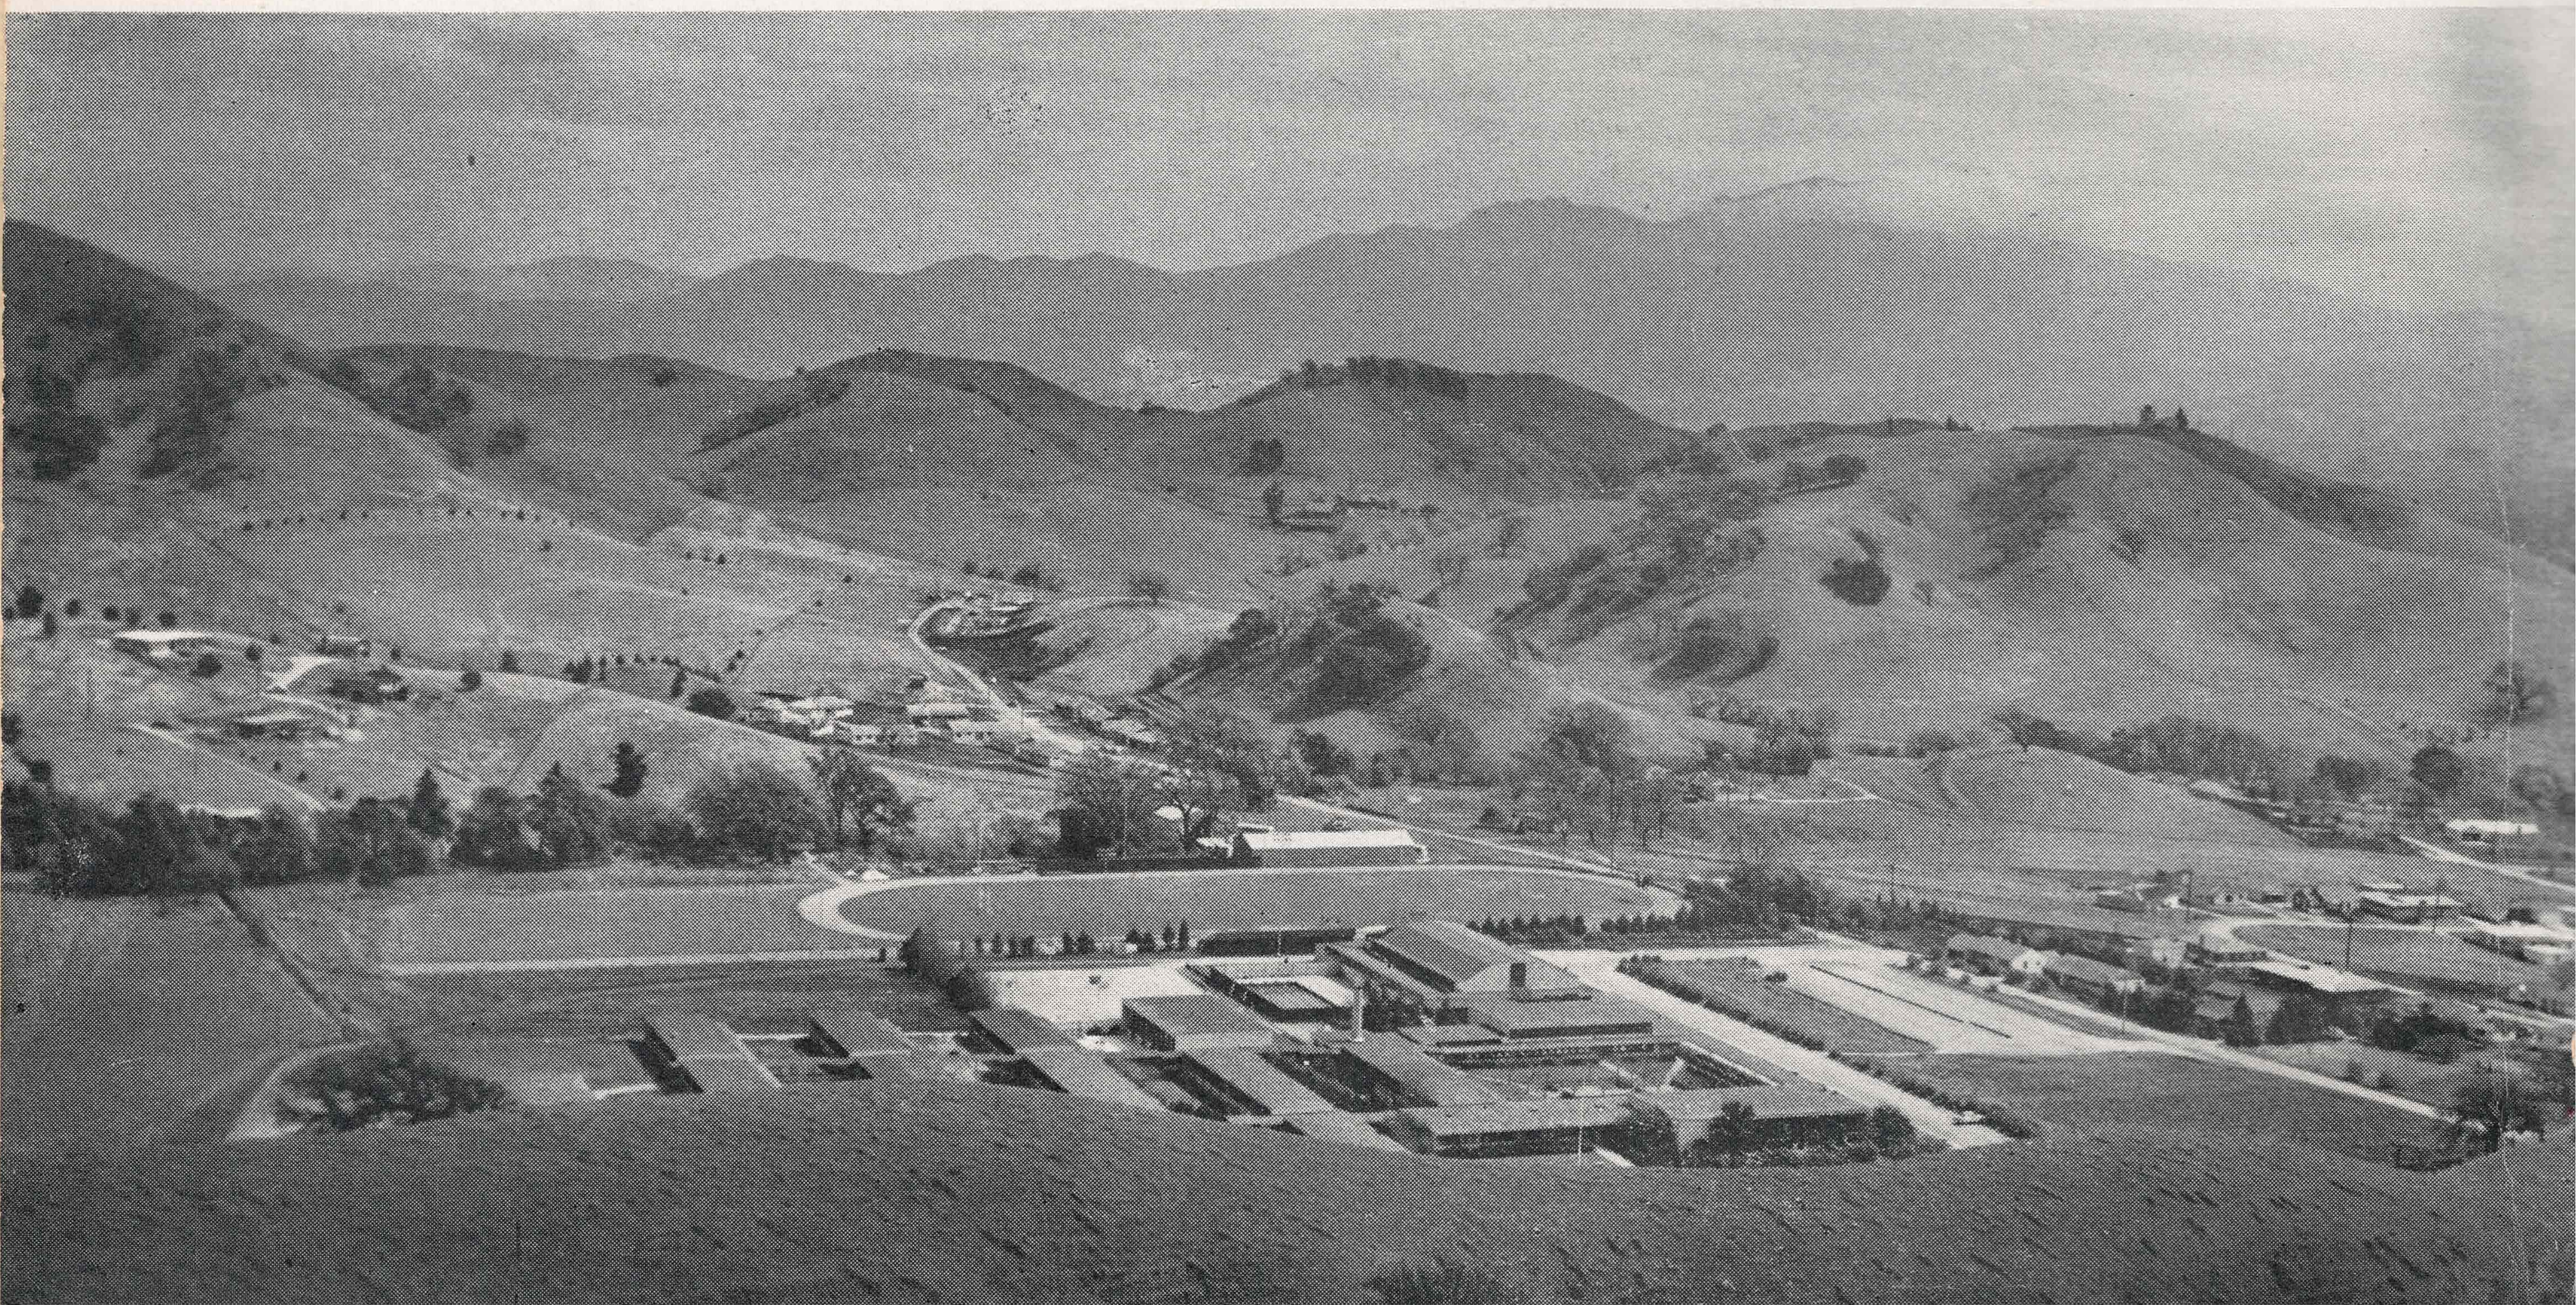
ACALANES UNION HIGH SCHOOL PHOTOGRAPHED FROM SURROUNDING HILLS



DEDICATION

At Acalanes it is not rare to find a teacher who is concerned with the problems facing the student. Nevertheless we feel that one faculty member stands out particularly for her interest and helpful advice to all who know her, and many know her, for her classroom is always filled with students attracted there by her enthusiasm.

Not only does she possess an outstanding ability to understand her students and advise them in their problems, but she also gives generously of her time and energy to other varied activities. If she is not actually helping in a school activity, she is generally on hand for moral support. She is director of the student store and adviser for the very popular ski club. Students have enjoyed her company on ski trips for several years now. In the summer she spends her time as co-director of a summer camp.

In appreciation and gratitude for her service to the school and the students, we are proud to dedicate the AKLAN of 1951 to Margaret Nicholson.

ADMINISTRATION

NEIL M. PARSONS
Principal and District Superintendent

For the past six years Acalanes has had as its principal and district superintendent Mr. Neil Parsons. Under his direction and guidance many needed improvements have been brought about which have proved very beneficial to students and faculty alike. However, with the increasing responsibilities coming with the construction of a new high school in Walnut Creek, Mr. Parsons completes his last year as principal and in the future will concentrate on his duties as district superintendent. The principalship at Acalanes will be filled by the present vice-principal, Stanley Walgren; while Leland Russell will become principal of the new Las Lomas High School.

Acalanes is also served by a very capable board of trustees. The members of this board are business and professional men from the surrounding communities who give their time generously to make Acalanes a better school.

GUIDANCE

Acalanes maintains a staff of qualified counselors in order to help students meet various problems which confront them during their high school years. In accordance with the growth in the number of students in the past four years, this staff has grown in number from two to eight. Each student is the particular responsibility of one of these counselors.

Under the capable direction of Leland Russell, the staff carries out a program of helping students with both future plans and present high school problems. In planning the student's program—one of the major activities of the counseling staff—students are given various aptitude, achievement and I.Q. tests under the direction of trained test administrators. Seniors are given particular attention and receive much information so that they can intelligently make future plans. Because of the willing assistance and generous help always available, many of the students even after graduation return for advice and friendly visits with their former counselors.

PURCHASING

ADULT EDUCATION

Additional evidence of the rapid growth of Acalanes is the fact that Mr. Ross Reagan was appointed Administrative Assistant and Business Manager for the district. Among his many jobs was the supervision of purchasing and transportation for the school district.

Under the capable direction of Mr. Mickey Dukich the new Acalanes Transportation Department not only provided adequate and economical transportation for the 1050 high school students, but also for students of Lafayette and Orinda Elementary schools. This year the system consisted of thirteen busses. Three more have been scheduled for next year.

In order to fulfill the needs and desires of the adults of the surrounding communities, a full scale adult education program has been operated. This program has grown considerably in the past two years under the direction of Mr. David Stewart. For 1950-51 the enrollment exceeded 2,000 adults. There were about 45 different classes throughout the year including various branches of homemaking, arts and crafts, physical education, folk and social dancing, parent education and several academic type courses including a course in citizenship for those interested in becoming United States citizens.

BOYS' FEDERATION

The Boys' Federation, now in its eleventh year, is comprised of all boys in Acalanes. One of the high points of their activities this year was the Faculty vs. Students track meet, from which enough money was raised to pay for the filming of the County Track meet. Other activities included the annual Fathers' and Sons' Banquet and presentation of a film on the California-Ohio State Rose Bowl Game. This growing group has increased from its first year of 175 members to its present membership of 500.

GIRLS' LEAGUE

Each girl entering Acalanes automatically becomes a member of Girls' League. The organization is under the direction of Miss Lily Lahti and governed by the Girls' League Cabinet, which meets semi-monthly.

Probably the most important event of the year is the annual Mothers' Tea, planned and executed during the spring semester. With "Window Shopping in Union Square" as the theme, the program included modern dance pantomimes, a fashion show and refreshments planned by the home economics department.

CITIZENSHIP COMMITTEE

Acting as Acalanes judge and jury, the Citizenship Committee consists of elected class representatives, including one Sophomore, two Juniors and two Seniors, plus the student body president. Holding a meeting once a week with their adviser, Mr. Russell, the committee, having full discretion of citizenship points, debates over the loss and gain of points among the students here at school.

RALLY COMMITTEE

Under the advisership of Mr. Dambacher and leadership of President Jack Babcock, this year's Rally Committee was in charge of all rallies, advertising and decorating for games and of organization of rooting sections. The committee is made up of students in the Junior and Senior classes and is appointed each year by the graduating members of the previous Rally Committee.

CLASSES

SEN

Always illustrating teamwork and cooperation in their school projects, the graduating seniors worked enthusiastically to make their years at Acalanes outstanding. The first big event for this class was their Freshman Frolic, skillfully planned and executed in a "Toyland" atmosphere. The following year a trip to the depths of the ocean produced their most unique dance, the Sophomore Hop.

With success and experience came confidence, and in their Junior year the class produced three celebrated events. "A Knight Out," the second largest dance of the year, recreated a medieval ball complete with king and queen; and the Seniors took an imaginary trip to the "Deep South" at the Junior-Senior Banquet put on by the class of 1951. The theme was so excellently worked out in the enter-

tainment that the cast of 56 took their show on a circuit of assemblies from Acalanes to Diablo to Alhambra. Also the Junior Extra of that year will be remembered for its authentic "Down on the Farm" atmosphere as the decorations included real donkeys.

Finally in their last year, the class of 1951 helped produce the first public Variety Show at Acalanes and put on a colorful senior play entitled "We Shook The Family Tree." The Seniors also held various faculty-senior sports events in order to replenish their treasury. Their Senior Extra dance, presented on Friday the 13th, was a "Senior Jinx" filled with bad luck decoration. And last but not least, working with much thought and care on their Senior Ball, the class presented an enchanting evening at "Cinderella's Ball."

The first event on the activity calendar for the Juniors was the second biggest dance of the year, the Junior Prom. It was an "Evening in the Orient." As a close follow-up the class took the whole student body "Out of This World" at their Junior Extra.

Finally in the spring the annual Junior-Senior Banquet was planned and executed by the Junior Class as a final tribute to the graduating seniors. It was a very enjoyable evening at "St. Francis Ricks" for all the prospective graduates with dancing, entertainment, and service in regular nightclub style.

Besides their contribution to the school in the way of dances and the banquet, the Juniors also played an indispensable part in such organizations as student council, Junior Statesmen, the Aklan, the Blueprint, the Variety Show and all sports.

The most important activity of the Sophomore class was their annual Sophomore Hop. Because it was their big job of the year, the class worked with care and enthusiasm to produce an enchanting interpretation of "Through The Looking Glass." And the decorations were literally "Through The Looking Glass," for the weird lighting gave an eery and unusual effect to the Acalanes gymnasium.

The Sophomore class boasts several fine athletes who played an important part in this year's sports events. Other members of the class did their share of contributing to such activities as the Variety Show, Modern Dance, the AKLAN, and stagecrew.

With the close of their Sophomore year, the class of 1953 will have passed the half way mark at Acalanes. They will no longer be underclassmen but will assume their place in the "upper bracket" as Juniors.

Again this year the Freshman class with 300 members was the largest ever to invade the Acalanes campus. The first event on their calendar took place in October when the second annual Frosh picnic was held. At this time the campus was turned over strictly to the Freshmen so that they might become better acquainted with each other. The program included games, swimming, picnicking, campfire singing and dancing.

Following their picnic the Freshmen furnished the school with a touch of Barnum and Bailey by having a circus theme for the very successful Frosh Frolic. The decorations included all sorts of circus animals. Then after decorating for the annual Messiah performance and Christmas program, the Freshmen wound up their year by holding a Freshman party. Again strictly for the Freshmen, the party with its games and dancing proved to be a huge success.

C. S. F.

The Acalanes Chapter of the California Scholarship Federation is composed of students who received not less than three A's and one B in the previous semester's work. Students qualifying for membership in C.S.F. are given special passes which enable them to go to the library without regular library permits from their teachers. Gold Seal Bearers, those who are entitled to life membership in C.S.F., are outstanding students who have received C.S.F. grades for six out of eight semesters. These students are designated each year on the Commencement Program.

FIRST SEMESTER

McMurphy, Diana Green, L. Dalbey, A. Reichhold, B. Mumford, J. Woolsey, E. Ranker, Johanna Allen, A. Hawkesworth, D. Hanawalt.

Under the direction of Adviser Miss Vera Richardson and President Sven Groennings, the group put on several very successful events. On the top of the list was the annual C.S.F. Dance, "On The Reservation," given for the purpose of raising money for the scholarship presented each year to one of the Senior Class members. For their annual trip to one of the nearby colleges, the group chose to visit the campus of Stanford University, a trip which proved to be very enlightening as well as entertaining. Castle Rock Park was chosen as the site of the traditional C.S.F. Picnic in May which climaxed the year's activities.

JUNIOR RED CROSS

The Junior Red Cross was under the sponsorship of Miss Helen Peterson. Activities started early when Wayne Brannan attended the Junior Red Cross Convention at San Bernardino in August of last year. After school started in the fall, a membership drive was held and sixty dollars was collected. The spring project was the filling of a school chest for a school in a needy area. The chest contained school supplies as well as recreational articles.

JUNIOR STATESMEN

Under the sponsorship of Mr. William Ross, the Junior Statesmen Organization was established three years ago and has grown ever since. This year's activities were climaxed by the annual Northern California Regional Convention, which was held at Acalanes Saturday, May 5. The convention was highlighted by a panel discussion in which the Acalanes team discussed, "Should Student Body Cards be required for voting privileges in school elections"? Our team, consisting of John Wahl, Pat Hoge, Art Siler, Ed Neighbor and Ned Davis won the regional trophy.

SPANISH CLUB

The Spanish Honorary Society is open to any student taking Spanish III or IV or to any student with an "A" in Spanish I or a "B" in Spanish II. Under the joint leadership of Miss Florence Bassignan, Mr. Charles Donna, Miss Josephine Ochoa, and Miss Marie Wagner, the club this year heard several speakers from Latin America and sponsored a Spanish movie at the El Rey Theater in Walnut Creek. The purpose of the club is to further good relations between North and South America.

DRAMA

The senior play, directed by Richard Nesbitt, was "We Shook the Family Tree," a hilarious mixup built around the innocent bungling of Hildegarde Dolson (Joan Schneider). Trying desperately to secure a date for the coming dance, she enters and wins a debate, that eventually involves the whole Dolson family. Mother tries to help her by asking Freddie Shermer (Tony Biggs) to take Hildegarde to the prom. However, this makes matters worse, for Freddie is the school joke because he wears knickers. After some struggle it all works out for the best and Freddie and Hildegarde "will undoubtedly be the nicest looking couple at the prom." Other cast members include Norm Parsons, Pat Bermingham, Don Woods, DuWayne Hodge, Norm Passeur, Jane Ponting, Sue Tomer, Ann McAllister and Louise Dezzani.

FOOTBALL

When twenty-eight varsity players graduated, a gaping hole was left in the ranks of the Acalanes squad. Coaches Mattson and Stevens knew that they had the job of getting the Dons back to their former power, for although the ex-J.V.'s were willing, they were inexperienced.

League games were unvictorious until our bout with Albany, at which time Acalanes pushed through for a score of 7-6. With this encouraging victory the Dons fought on to a surprising win over John Swett in the season's last game.

The Junior Varsity was faced with a similar situation; and considering the difficulties, Coaches Eaton, Twining and Dilling turned out a sterling job.

Among this season's outstanding players were Joie Pearson, Al Culp, Bob Borghesani, Hal Weber, Gary DeAngelis, Bob Winkenbach, and Buzz Williams, who was also chosen All-County guard.

With a good many of the players returning next year, the team is looking forward to revenge and a victorious season.

BASKETBALL

Due to the fact that there was only one returning letterman this year, the Varsity basketball team got off to a slow start and lost many of their first practice games. The team suffered again when Harry Neilson left early in the season for the service. After the team had played its first few games, they gained the necessary experience and the games improved steadily. When league play started, the team had reached its peak. Acalanes finished third, behind Pittsburg and Diablo, in Contra Costa County League standing. In the League Tournament the team finished third, again behind Alhambra and Mt. Diablo.

The League Tournament is something new in the county this year. The tournament was held at Mt. Diablo in their new gym. The games were played on an elimination basis over a three-night period. The tournament was a great success, and the team is looking forward to one again next year!

Bob Borghesani was unanimous choice as All-County center. He was outstanding throughout the whole season. He was second highest scorer in the league and scored 28 points in one game.

The most exciting game proved to be the one with Mt. Diablo. The game was close all the way until the final buzzer sounded. Though we lost the game 53 to 52, everyone agrees that it was the best played and most exciting game of the year. With many men returning again next year on both teams the school can be assured of a better than average team. Bob Winkenbach was chosen outstanding senior player of the season.

The "B" team also got off to a slow start, but their playing picked up considerably as the season progressed. The "B" team finished fifth in the league. Allen Culp was nominated for the third team and Mike White received an honorable mention on the Junior Varsity squad.

TRACK

The Acalanes track team had one of its most successful seasons this year. The team was undefeated in dual competition, and they also took first place in the county meet.

The first dual meet with Pittsburg was an easy victory. The following week's meet with Antioch proved to be more of a thriller. The meet was close all the way; and only when our relay team won in the last event were we assured of victory. The following weeks' encounters with Alhambra, John Swett, Alameda, and Albany were again easy victories. In our victorious meet with Diablo, Darrel Crossman tied our 100-yard dash record of 10.2 and broke our 220-yard dash record with a time of 22.5. The Dons in their last encounter uprooted the mighty El Cerrito powerhouse by 48 points.

This year's track team had very good depth in almost all of the events but lacked the outstanding tracksters that were necessary to win such meets as the El Cerrito and Martinez Relays and the North Coast meet. Bill Powers broke the school high jump record with a height of 5′ 11⅜″ at the North Coast Section.

The "B" team, too, had one of its best seasons on record. They were undefeated in dual competition, and they placed first in the County meet. Also several school records were broken in the "B" division. John Hansard set a new broad jump record by jumping 19′ 7″, Doug Cooper broke the 120 low hurdle record with a time of 14.8, John Barnett with 10′ 7½″ set a new pole vault record, and Don Duncan broke the county record for the discus at the county meet with a throw of 119′ 1″.

With many men returning, both teams should have good seasons again next year.

"A" SWIMMING

For the eighth consecutive year, the varsity swimmers have captured the County crown. In this county competition our swimmers beat their nearest competitor by forty points. Brooks de Laneux broke the school and league records in the 100-yard breaststroke. He also topped the school record for the 150-yard individual medley. Dick Hubach set a new school and league mark in the 200-yard freestyle. With most of the swimmers returning again next year, the team can be assured of another excellent season.

"B" SWIMMING

Another fine year of swimming was recorded by the Junior Varsity swimming team; they suffered no losses in dual competition, and they placed first in the county meet. Bob Harrison set new school and league records in the 50- and 100-yard freestyle, and Stan Pedder broke the 50-yard backstroke school and county records. The 75-yard medley and 100-yard freestyle records were also broken. Jim Small set the 100-yard breaststroke and Kim Wilkin set the 75-yard individual medley record.

The baseball team had trouble getting under way this season, but after the first few games were played the team really started playing good ball. The squad ended up second in the league. The team can look forward to a great season next year as only two boys are graduating.

Varsity and Varsity Reserves played many games this season, gaining much experience for the "A" squad next year.

G. A. A.

This year the Girls' Athletic Association continued activities under a newly adopted constitution. The old system of awards, on the basis of team selections and skill, has been changed to an award system based on participation. The awards range from a G.A.A. emblem to a special pin. This year these were presented at a special assembly held for boys' basketball during the third quarter. The order of awards is G.A.A. Emblem, Class Numeral, Block "A," Officials Bar and the special pin.

Also under the new constitution the G.A.A. found itself with a new officer, the Commissioner of Playdays. This is a most difficult job as the Commissioner has the responsibility of arranging for all playdays held at Acalanes and for organizing sign-ups and transportation to playdays held at other schools in the county. This year this job was very capably held by Dorothy Hanawalt.

MANAGERS

FIRST ROW, *left to right:* J. Chantler, A. Vittaly. SECOND ROW: A Bronson, M. Zbavital, V. deLaneux, S. Brown.

Activities of the G.A.A. were many during the year. Tournaments were held in all the major team and individual sports, which includes volleyball, basketball, speedball, softball, tennis, badminton and swimming. Also playdays with the other schools in the county were held regularly throughout the year. Several playdays were sponsored by the Acalanes G.A.A., including a very successful Modern Dance County Playday, which was the first of its kind ever held in this county. In addition, two Sports Days, one at the University of California and the other at San Francisco State's new campus, were attended by Acalanes G.A.A. members.

A new activity, bowling, was carried on during the third quarter and proved to be very popular. The girls had a special arrangement with the Broadway Bowl in Oakland, where they bowled on Wednesdays of every week in the quarter. Records were kept of the girls' scores and many showed much improvement during this time.

The G.A.A. also engaged in other activities. The members were in charge of program sales for all games during the football season and for the county track meet held at Acalanes. The Girls' Athletic Association maintained a victory stand at the track meet and handled the presentation of awards.

GORDON—GOT ROCKS GORDON—GOT ROCKS

— GOT ROCKS GORDON — GOT ROCKS GORDON — GOT ROCKS GORDON — GOT ROCKS GORDON — GOT ROCKS GORDON — GOT ROCKS GORDON

A Smile

A Smile costs nothing . . . but gives much. It enriches those who receive, without making poorer those who give. • It takes but a moment, but memory of it sometimes lasts forever. • None is so rich or mighty that he can get along without it. And none is so poor that he can be made rich by it. • A smile creates happiness in the home, fosters good will in business . . . and is the countersign of friendship. • It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and is Nature's best antidote for trouble. • Yet it cannot be bought, begged, borrowed or stolen. For it is something of no value to anyone until it is given away. • Some people are too tired to give you a smile. Give them one of yours . . . as none needs a smile so much as he who has no more to give.
